Matthew Chiappetta and George Lombardo Scholarship Audition Sides

Choose a side below, and read it, just like you were in an audition for that role!

Side #1: Alien 3 (The Accomplisher) from “Cosmic Nightingale”

- Alien 3:** **An animal’s instinct for self-preservation is high. That may save them from self -annihilation.**
- Alien 1: You should know. Your species barely survived **its** early technological development.
- Alien 3:** **Survived and prospered! Enough to lead the Confederation into a new age of discovery and development. Just like I’m leading you to this planet where our visit will most likely result in discoveries that will astound the galaxy!**
- Alien 2: Or result in our premature demise.
- Alien 1: Detecting large quantities of highly unusual emissions of slurred audio concepts. Ritualized vocal communication, a primitive form of singing songs.
- Alien 2: Put it on audio.
- Alien 3:** **That’s exciting - stimulating, it invigorates my inner being. It’s a very different style from what we first heard**
- Alien 1: We have traveled 70 light years from our point of origin. From their point of reference, much time has elapsed.
- Alien 2: Ah! Very unusual. Their primitive culture has evolved a highly invigorating form of stimulation. Perhaps that’s where their value lies? We could record and bring back numerous examples.
- Alien 3:** **Better yet, we could bring back a native with singing ability!**
- Alien 1&2: Extreme distress - extreme distress - gross violation of prime directive.
- Alien 3:** ***(under his breath)* Cowards! *(to Aliens 1 & 2)* Calm down. Think of the extreme wealth that would result. We need only be discrete and circumspect. Concoct a plausible background for the singer and then present the humanoid to the universe. Never stay anyplace too long and move on before anyone who cares about the prime directive catches on. It’s a big universe, boys.**

Side #2: Andy Dorsey from “Mother Jones & the Children’s Crusade”

Andy: **Hey, Ja-ack, look who’s here!**

Jack: *(under his breath, to ANDY)* Pipe down!

Mary Jo: Why, hello there Jack. You goin’ to the Commemoration meetin’ tonight?

Jack: *(blushing, tongue-tied)* Well, of course, I...

Andy: ***(interrupting)* Are you going, Mary Jo?**

Mary Jo: I certainly am. Jenny would kill me if I didn’t.

Andy: **Then Jack’s sure to be there!**

Side #3: Mrs. Drummond from “Invaders”

Drummond: **This is the only way, you fools! If you do not have the courage to fulfill your mission, you shouldn’t be here!**

Xeron: How dare you question our courage?! We have risked all in coming here.

Nexus: What is that?

Drummond: ***(looking out the window)* Oh, no! It’s the press again.**

Nexus: Well, just don’t stand there! Go out and do something! Get rid of them!

Drummond: ***(moves outside)* Please, please! It is very late. What are you doing here?**

Sidney: Mrs. Drummond, we are concerned that the Crystal Singers did not make their press conference this evening. What happened?

Drummond: **Press conference? Oh, yes, of course. Well, you see...it was in the best interest of the children that they get adequate rest for tomorrow’s big event.**
